

Assignment 1

GROUP ASSIGNMENTS:

- Students will form into eight groups of five/six/seven students
- Each group will prepare an inventory of public or private traditional elements, buildings or cultural artifact and streetscape drawing of one side of an allocated street
- Reconstruct the elevation of the street as it may have been twentyfive years ago
- Make a suggested elevation improvement scheme for the side you have studied.

TOPIC/LOCATION FOR GROUP ASSIGNMENT FOR THIS YEAR : REFER MAP
INVENTORY OF ELEMENTS OF HERITAGE SIGNIFICANCE OF A FESTIVE STREET
AND DRAWING OF A STREETScape.

THE INVENTORY IS FOR RECOVERY IN CASE OF EMERGENCY. The street scape study would be applied to suggest streetscape improvements in planned conservation activity.

Compilation of drawings and description. (+ Photographic recording) etc.
Inventory sheets for select buildings, elements or other aspects of traditional street architecture
